Technical Assistance Interactive

This *1-hour* workshop will address the following topics, and is designed to allow people to bring their real-life questions and answers to the discussion.

- Evaluation or "How do we know we succeeded?"
- Board development
- Accessibility to programs, services, and facilities for people with disabilities
- Strategic planning
- Volunteer development
- The national "Imagination/Creativity/Innovation" conversation

* Individual workshop agendas may vary somewhat from location to location, depending on the needs of the participants.
